San Jose Clinic

San José Clinic is the original safety-net clinic in Houston and a leading provider of quality healthcare services for individuals and families in the Greater Houston area who struggle with accessing care. They provide primary care, women's health services, specialty care, vision, dental, laboratory and pharmacy services. To receive services at San José Clinic, low-income, uninsured individuals and families must first complete an eligibility interview. Those that qualify for services will receive a patient account, providing them access to services. Eligibility interviews are conducted on a walk-in basis from 8 a.m. to 4 p.m. Monday through Friday. No appointment is necessary. You must bring identification, proof of income and proof of address to your eligibility interview. Examples of what to bring are outlined on their website.
